October 15-17, 2010

UP Equestrian Center

(Sands Township, 292 Taylor Rd., Gwinn MI 49841)

Colleen Kelly is a biomechanics specialist, a world-renowned expert on rider balance, position and coordination. Colleen is one of only 3 Research Fellows world-wide accepted by the International Society of Rider Biomechanics. Also joining Colleen is Jose Mendez Former Rider and Trainer of The Royal School of Equestrian Art in Jerez, Spain. Jose's skill of horsemanship is highly respected throughout the Equestrian world. He has successfully trained and competed at an International Level in Dressage up to and including Grand prix. Watch Jose as he works with riders at any level helping them to train Systematically and Sympathetically. No matter what discipline you prefer, Colleen & Jose will improve you and your horse!
