

UP Chapter Minutes from May 2, 2010

Attendees: Victoria Jenema, Karin Steffens, Tracee Horn, Sue Gendron and Kathy Bull. Kathy Caspary, Tina Ozanich and Mary Minetti joined us via telephone. Guest: Celeste Gasiewicz.

Secretary's Report: By consensus, we approved the minutes from March 2010.

New Business:

Motion made by Kathy B. and seconded by Sue to elect Karin Steffens President and Anne Zaharias Vice President. Approved. It was noted that at the State Board meetings, if Karin is unable to attend, Anne will not be able to vote for the chapter because she is already on the Board as State Historian.

Old Business:

Cookbook: Karin S. updated members on the status of the cookbook fundraiser. The deadline for entering recipes was extended, and we would like to get more. We have slightly more than 100 and Karin said 300 would be a good number. We talked about other groups that might get involved.

Future clinics: We were able to schedule Colleen Kelly to do a clinic on the biomechanics of riding October 15-17. Those were the only dates available. This is an exciting opportunity for all riders in the U.P. as she gears her discussion for all disciplines, Western and English. We are starting to get the word out for riders and auditors.

Next Meeting:

The next meeting is scheduled for Tuesday June 15, at 7 pm EST at Tracee's. We are hoping that the Menominee and Keweenaw members will join us via skype or phone. The main agenda will be organizing the Colleen Kelly clinic.

Motion made by Victoria and seconded by Sue to adjourn.
