Old Business

Janet Foy Clinic

Jo Ann contacted Southeast Chapter about our desire to host a clinic with Janet Foy that would not conflict with theirs. She reported that Southwest is hosting Janet every month for three days—Friday, Saturday, Sunday. It is possible we could add on days before or after their clinic but it would be at Janet's choice. It was decided that because of everyone's work schedule it would be difficult to fill these extra days because all would be on work days, so we put this idea on hold.

Debbie McDonald Clinic

It might be possible to combine with Eastern Chapter to host this clinic. All were enthusiastic and said they would like to attend but decided to table this idea until next year because of the distance to the clinic would make it difficult to support it properly.

Wolfgang May Clinic

Kayla to work on clinic days and report back.

New Business

Discussed Ideas for other chapter activities this year:

Kathy Weishampel suggest a “ride a test” critique and reride. Jo Ann suggested Lois Heyerdahl and later Tom Poulin. Nancy Lightfoot made a motion to contact Lois, Carol seconded. Motion passed.

Annual Schooling Show, Sorensen’s Equestrian Center

Alice Antczak called Sorensen’s to check on date availability for show and left message. She will discuss and report back via email.

Kayla and Kathy Weishampel will work on show.

Kathy Weishampel will do flyer and program as usual.

Jo Ann Williams will check availability of “L” graduate for judge.
