## Dressage Through the Levels: Demonstration Rider Information and Application

Riders should be comfortable being instructed in front of a large audience, as up to 200 auditors may be in attendance. If riders are not selected to ride, we hope you will join us by auditing -- but please do not send in auditor registrations until you have been informed that you have *not* been selected to ride.

### Deadline and Selection Process

Complete applications and videos *must be received* by DeAnn Howard **on or before Saturday noon, Oct. 1** (not just postmarked, but in DeAnn's hands) in order to be considered. WDCTA is not responsible for late or misdirected mail. Applications and videos/DVDs or YouTube submissions are not reviewed until after the deadline of Oct. 1, so there is no advantage for early applications. We will notify all applicants upon receipt of their entry AND as soon as the selection process is completed, no later than Nov. 1. For faster notification, please provide a current e-mail address on your application. We will not publish or release the names of applicants who are not selected. Videos will not be returned unless a self-addressed, stamped envelope is included.

### Fees and Cancellations

The clinic fee is \$100 for WDCTA members and \$150 for non-WDCTA members which includes one clinic ride per day, lunch and snacks each day. The clinic fee does *not* include stabling, hotel, transportation or additional food and incidental costs. Payment for clinic fee only must be sent with the application. **(NOTE: Rider fee does NOT include horse owners or grooms. All attendees, except selected riders, must pay the published auditor fees.)** The stabling fee at Sunflower Farms is \$45/per day and includes first-day's bedding, cleaning of stalls, feeding and nanny check throughout the night. Check should be made out to *Sunflower Farms* when you are notified of your selection. Do *not* send payment for stabling with your application. Stabling fees are due when you arrive at Sunflower Farms.

Payment will be processed within ten days of selection. Should checks not be good, the rider will be assumed to have cancelled and the first alternate will be selected to take his/her place. Riders who need to cancel after their participation has been confirmed, should notify DeAnn Howard as soon as possible. Riders canceling will receive a refund, minus a \$25 processing fee, if a replacement rider can be found. If no replacement is available from the applications, the rider will not receive a refund unless a medical or veterinary emergency can be verified.

### Format and Schedule

The symposium format will consist of two or three horses presented at most levels in 45- or 60-minute blocks each day. Clinic hours are generally 8 a.m. to 5 p.m., with a break for lunch plus a short morning and afternoon break. Riders must participate in both days; riders cannot apply for one day only. The levels are scheduled in the order of Training to Grand Prix on both days.

### Policies

Riders must ride the horse listed on the application and in the DVD, video or YouTube submission. Riders may apply with more than one horse. ASTM-approved safety helmets are required for riders at all times they are in the saddle. If a symposium sponsor provides saddle pads for the demo riders, they must be used at the symposium.
