The meeting was called to order at 4:36 PM at Caspary Farm in Dollar Bay.

Secretary's Report: Motion made by Anne, seconded by Tracee to approve minutes of the last meeting. Approved.

Treasurer's Report: Tracee Horn reported that her accounting is at \$3337.12 with the bank. A discrepancy with the bank of- \$391.00 from the Colleen Kelly clinic. We will have a better way of organizing funds when we have multiple sources of income at a future clinic. We decided that the balance is probably at about \$2946.12. We approved the Report as stated.

Old Business: Cook books: will leave 7 with Tina, Mary and Kathy to sell. They will check locally for places to sell cookbooks. A check has been made out to Susan G. Komen for the Cure in the amount of \$150. Will send the check in a card with the cookbook image on it.

Summer Solstice Schooling Show is June 18th. Karin will have a booth there with WDCTA Info and cookbooks for sale. Anne has our exhibit board that she will get to Karin to use. Our chapter will donate \$50 to the show for them to use as needed. We will not be a sponsor because of liability issues. Judy Izzi stated that Circle M was supplying the insurance for the show.

Future Clinics: Karin suggested having the Mechanical Horse for each rider to see where their weakness and strengths in riding a horse are. Has sensors on it and reports on where improvements can be made.

Shelley Reichart is an instructor from wisconsin that Anne has ridden with. Perhaps we can have a clinic with her at Anne's place. Anne will check with her on availability and prices.

New Business: Willow Farm had a horse college on May 14 for equine information as a fundraiser for the Therapeutic Riding Program. There were demonstrations and seminars for different horse areas. Karin attended with information on our club.

Silver Spurs Riding Club is hosting a Fun Day at the UP Fairgrounds Saturday, May 21, at 9 AM. Will have various seminars.

We currently have a roster of 10 members in the UP Chapter of WDCTA.

Next meeting will be July 31 at Tracee's house. This will be a potluck meeting.

Meeting adjourned at 5:30 PM.
