

Kettle Moraine Chapter Minutes, July 10, 2012, Culvers in Mukwonago, 6:00 p.m.

Attending: Joann Williams, Melinda DeLuca, Alice Antczak, Wendy Konichek, Carol Hines-Stroede

Subject: show preparation

Joann said she'd already spoken to Reid Sorensen several times, and Reid was ready to go.

Melinda offered to scribe, and Carol promised to email her the tutorials and abbreviation guide.

Alice had just received books donated by USDF for the traditional dressage classes, copies of *The Journey: a Dressage Training Compendium* from USDF Connection. These join the following: gaited class awards from the Tennessee Walking Horse Breeders and Exhibitors Association, gaited high-score award courtesy of Walking Horse Owners Association; and western class awards donated by Lazy Creek Farm, Gary and Claudia Shipshock, owners.

Wendy requested time for her handicapped riders in the dressage trail class, and we agreed to provide this.

Meeting adjourned at 7:30.

No meeting to be held in August. September date TBA.
