NEW BUSINESS

SCHOOLING SHOW:

Do we continue with the schooling show? If so, when and what classes (gaited, western, therapeutic dressage) – looking for a date earlier in the summer, possibly in June

Is the show profitable? Numbers need to be calculated and it needs to be decided what the minimum dollar amount is that we need to make

Alice is going to talk to Reed Sorensen about if he would be interested in a partnership between the farm and KM Chapter.

Are there any other facilities that we could hold a show at, if needed?

IDEAS FOR FUTURE MEETINGS:

Clinics – ideas were thrown around of possible clinicians (Lynn Palm, Lendon Gray, etc) and what facility we could hold a clinic

Idea was brought up that we hold a clinic on Sunday after the KM schooling show (or a Sorensen show) such as a Ride A Test/Fix A Test

Film Festival – would like to do this for our January, February and March meetings

Speaker Program (dentists, chiropractor, etc)

CHAPTER ELECTIONS:

November is elections. If anyone is interested in being an officer, please volunteer.

Meeting Adjourned at 7:35 p.m.

**Next Meeting:

Date – November 13th at 6pm

We will also brainstorm movies for the film festival
