Laura Graves Symposium: A Success!

After years of delay (thanks, Covid!) and months of planning, preparation and just plain work (thanks, volunteers!), the Laura Graves Symposium May 20-21 was a success!

Since this event happened at the end of May, a complete symposium report (including a story from a rider's perspective) will appear in the July issue. This issue contains a few photos from the event (thanks to member, Diane Brault), and a nod to our many sponsors and vendors who supported this event.

Both riders and auditors received a lot of great information from Olympian Laura Graves, who was insightful (zeroed in on each rider's needs immediately), humorous, and demanding without being demeaning. It was clear she wanted every rider and horse to improve—and she accomplished that.

The shopping was great with numerous bags from various vendors were seen on the arms of riders and attendees.

Watch for more insights and information next month!

(Top left and right) Laura Graves meets informally with the riders Saturday morning before the symposium officially started. Riders had a chance to ask questions, and Laura had a chance to get to know them beforehand. She shared her perspective and was very approachable and open. (Bottom left and right) Platinum sponsor, Saddlery Dresch, and Diamond Sponsor, the Wisconsin Horse Council—along with numerous other sponsors and vendors, made this event possible with their generous support.

What a Month It's Been!

The Laura Graves Symposium was a highlight. I enjoyed being the rider coordinator, and it was great to see the riders who were selected by Laura improve over the two days. We had riders of all ages and “categories,” including a junior rider, adult amateurs and professionals on a variety of horses—from warmbloods to Friesians to an adorable gypsy banner who gave her heart at the Intermediare level. (I absolutely believe if you don't have a willing attitude to do the work, it doesn't matter how “fancy” the gaits are.) The riders really worked during their sessions, and the improvement in their horses and riding was proof of their willingness to learn and apply what Laura advised. Laura was very generous with her time, meeting with the riders before the symposium started and joining them for dinner. I look forward to the articles and photos planned for the next issue from a volunteer and a rider.

Did I mention the vendors and sponsors? They were fabulous, and even though I didn't really “need” anything, how could I help but buy a few things to take home?

While the symposium was a highlight this month, my vet bills were a lowlight—*not* that I begrudge one single penny that goes to equine veterinarians. Besides my normal spring vaccinations, my gelding decided to scalp the front of his fetlock. Emergency vet call. Still, I'm grateful my vet got here so fast, cleaned it up and proclaimed nothing of importance was damaged. What a relief! So, while many of the stitches didn't hold over such a mobile area, I'll take a scar over being a pasture ornament. He's not a halter horse after all! I may miss the first show, as he was on stall rest for a couple of weeks, but he won't be getting out of showing like he did last year when I broke my leg!

Horses do tend to give us the highs and lows. Here's to a lot of highs and no lows in 2023!

Caryn

**WISCONSIN DRESSAGE & COMBINED TRAINING ASSOCIATION
WAIVER, RELEASE, AND HOLD HARMLESS AGREEMENT**

In consideration for my participation in the **WDCTA's Tracey Dijkers Clinic on September 9th and October 14th, 2023 at Stable Hands Therapeutic Riding Center** (hereafter, "the Activity"), I (the "Participant") hereby acknowledge and voluntarily agree to the following (hereafter, "Agreement"). "Participation" includes, but is not limited to, riding, handling, instructing, or spectating.

1. Acknowledgment of Inherent Risks of Equine Activities. I acknowledge and understand that there are numerous inherent risks of participating in equine activities, including, *but not limited to*: (a) the propensity of an equine or other animal, irrespective of its training, to behave in ways that may result in injury, harm, or death to persons on or around them (for example, jump, run, kick, buck, bolt, spin, rear, strike, or bite); (b) the unpredictability of an equine's reaction to such things as sounds, sudden movements and unfamiliar objects, persons or other animals; (c) certain hazards such as conditions at or below the surface or ground, whether seen or unseen; (d) collisions with other animals or objects; (e) the potential for another person participating in an equine activity to act in a negligent manner that may contribute to injury to me, or to others, such as failing to maintain control over the equine or not acting within his or her ability; (f) the breakage or failure of tack or other equipment; (g) the potential that an equine or other animal may cause injury or harm to the rider or to other persons or animals in the vicinity; and (h) sickness and disease (including communicable diseases). *I understand these risks and further acknowledge that I am not relying on the Wisconsin Dressage and Combined Training Association (hereafter, "WDCTA") to list in this document all possible inherent risks of participating in equine activities or the Activity.*

2. Acknowledgement that Participation in the Activity is Voluntary and Requires Personal Judgment. I acknowledge and understand that riding instruction by its nature requires that the instructor issue directions in the form of "commands." I understand that while I should consider such commands, I must and will use my own judgment during my participation in the Activity. I understand that while participating in the Activity that: the commands and all activities engaged in as part of the instruction are entirely voluntary; that the instructor is not entitled to nor requests absolute obedience; that I may elect not to comply with any command or suggested act; and that I am expected to at all times be alert and thinking while participating in the Activity. I represent that both my equine and I have the requisite level of physical fitness and mental alertness to enable us to participate in the Activity, and are in good health and free from injury, illness or other defects which may impair our ability to engage in the Activity.

3. Waiver and Release of Liability. I understand and voluntarily accept the inherent risks of engaging in equine activities, including risks from my voluntary compliance or noncompliance with instructor commands associated with the Activity. I voluntarily agree to hold harmless, release, waive, and covenant not to sue **Tracey Dijkers**, WDCTA, its officers, members, non-members that pay an auditing fee, **Stable Hands Therapeutic Riding Center**, as well as all other participants in the Activity ("Released Parties") from any and all injuries, sickness and disease, death, liability, or damage to person or property arising from my participation in the Activity, unless caused by Released Parties' reckless, intentional or willful misconduct. Thus, I understand that this waiver and release is effective even if the injury, sickness and disease, death, liability, or damage to person or property is caused or contributed to by the *negligent* action or inaction of Released Parties.

4. Equine Activity Liability Law. I acknowledge that I have read the State of Wisconsin's notice regarding equine activities:

Notice: A person who is engaged for compensation in the rental of equines or equine equipment or tack or in the instruction of a person in the riding or driving of an equine or in being a passenger upon an equine is not liable for the injury or death of a person involved in equine activities resulting from the inherent risks of equine activities, as defined in section 895.481 (1) (e) of the Wisconsin Statutes.

5. Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of Wisconsin. Any controversy, dispute, or claim arising out of or related to this Agreement, shall be resolved exclusively through proceedings filed in the federal or state court in **Marathon County, Wisconsin**. The invalidity or unenforceability of any provision or sentence of this Agreement shall not affect the validity or enforceability of any other provision or sentence of this Agreement, which shall remain in full force and effect.

I have read this waiver, release, and hold harmless agreement, fully understand its terms, understand that I am assuming risks inherent to my participation, and agree to be fully bound by its terms. I understand that I am free to consult with any counsel about the terms of this agreement.
